Annexure I to the Notice

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013

Agenda Item No.1: To approve divestment in Senvion SE, Germany

The Company, since quite some time, has been taking various initiatives for liability management. After successful completion of corporate debt restructuring, the Company has also successfully restructured the majority of its Foreign Currency Convertible Bonds by a cashless exchange with new bonds having maturity in 2019. Apart from such measures, the Company has also divested from Suzlon Energy (Tianjin) Limited, China to an extent of 75% as also sold Edison's wind power project in the USA, and has tried to infuse much needed liquidity in the system. The Company is also aggressively pursuing the disposal off its other non-core assets.

Apart from the above and as has been mandated by CDR EG, it is now proposed to divest from Senvion SE, Germany ("Senvion"), a step-down wholly owned subsidiary, which is considered as a material subsidiary of the Company, which would facilitate further improving the liquidity position of the Company and help debt reduction.

Several options continue to be explored for monetising the Company's international asset being Senvion including partial or complete divestment of Senvion or raising equity. Suzlon Group has now received a binding offer from Centerbridge Partners LP, USA for 100% acquisition of Senvion at a price of Euro 1 billion, with a potential earn out of up to Euro 50 million, the closing of which is subject to regulatory, financing and other customary closing conditions.

The Board was further informed that Centerbridge Partners LP, USA, which ultimately controls the proposed buyer, Rapid Holding GmbH, Germany, is not related to the promoter and promoter group and the proposed transaction shall not constitute a related party transaction.

As stated earlier, an option to raise equity at Senvion was also being considered. Since 100% sale to Centerbridge Partners LP, USA is subject to regulatory, financing and other customary closing conditions and if the said transaction does not materialise for some reason, the Company would want to keep the option of an initial public offering of Senvion by offer for sale of 51% of its indirect shareholding.

The funds raised by such complete or partial divestment are proposed to be used by the Company towards repayment of a portion of its debts and for the business growth of the Company. Having paid-off such Rupee debts, there would be substantial saving in interest cost and the Company would be in a better position to focus on business.

Clause 49(V)(F) of the Equity Listing Agreement entered into by the Company with the Stock Exchanges on which the equity shares of the Company are listed, provides that no company shall dispose of shares in its material subsidiary which would reduce its shareholding (either on its own or together with other subsidiaries) to less than 50% or cease the exercise of control over the subsidiary without passing a special resolution in its general meeting, except in cases where such divestment is made under a scheme of arrangement duly approved by a Court / Tribunal. A material subsidiary, in terms of the Company's Policy on Material Subsidiary, means (a) a subsidiary in which the investment made by the Suzlon group in the share capital of such subsidiary company exceeds 20% of its consolidated net worth as per the audited consolidated financial statements; or (b) the income of the subsidiary exceeds 20% of the consolidated income as per the audited consolidated financial statements during the previous financial year. In Fiscal Year 2014 Senvion contributed 72.09% of the consolidated revenue of the Company. Thus since Senvion meets the said criteria of being a Material Subsidiary of the Company, it would be required to seek approval of the Shareholders of the Company for divesting from Senvion either completely or partly to an extent of 51%.

In terms of Section 180(1)(a) of the Companies Act, 2013, a company cannot sell, lease or otherwise dispose off the whole or substantially the whole of the undertaking of the company without the consent of the members by way of a special resolution at

the general meeting of the company. In terms of explanation to Section 180(1)(a), the term 'undertaking' means an undertaking in which the investment of the company exceeds 20% of its net worth as per the audited balance sheet of the preceding financial year or an undertaking which generates 20% of the total income of the company during the previous financial year. Further, the expression 'substantially the whole of the undertaking' in any financial year shall mean 20% or more of the value of the undertaking as per the audited balance sheet of the preceding financial year. Since the Company does not directly hold the investment in Servion, the provisions of Section 180(1)(a) of the Companies Act, 2013 would not be theoretically attracted, however since the Company's investment in Servion directly and indirectly through its subsidiaries exceeds 20% of its consolidated net worth and since Servion also generated 20% of the total income of the Company on a consolidated basis during the previous financial year, it would be prudent from a governance perspective and also as a matter of abundant caution desirable to seek the approval of the Shareholders in terms of Section 180(1)(a) of the Companies Act, 2013.

In view of the aforesaid provisions, you are requested to grant your consent to the special resolution as set out at Agenda Item No.1 of the accompanying Notice.

None of the Directors and Key Managerial Personnel of the Company and their relatives has any concern or interest, financial or otherwise, in the proposed resolution.

Agenda Item No.2: To make investments, give loans, guarantees and provide securities beyond the prescribed limits

In terms of Section 186 of the Companies Act, 2013, which has been made effective from 1st April 2014, no company shall directly or indirectly,

- (a) give any loan to any person or other body corporate;
 - (b) give any guarantee, or provide security, in connection with a loan to any other body corporate or person; and
 - (c) acquire, by way of subscription, purchase or otherwise the securities of any other body corporate,
- exceeding sixty per cent of its paid-up share capital, free reserves and securities premium account, or one hundred per cent of its free reserves and securities premium account, whichever is more unless authorised by a special resolution passed in a general meeting of the members of the company.

In light of the same and considering the fact that Section 186 of the Companies Act, 2013 has become effective from 1st April 2014 as also read with General Circular of Ministry of Corporate Affairs No.32/2014 dated 23rd July 2014, it is felt desirable to obtain fresh consent of the Company in terms of the provisions of Section 186 of the Companies Act, 2013 to make investment(s) and / or give loan(s) and / or provide guarantee(s) and / or security(ies) beyond the prescribed limits and to an extent of Rs.3,000 Crores.

Agenda Item No.3: To approve divestment in SE Forge Limited

The Company, since quite some time, has been taking various initiatives for liability management. Apart from the above and as has been mandated by CDR EG, the Company is also aggressively exploring possibilities of disposing off SE Forge Limited, its wholly owned subsidiary and a material subsidiary. While such divestment may not realise anything against equity investment (which has already been fully impaired) made by the Company since the said SE Forge Limited has negative Net Worth and is highly indebted, however having divested, the Company would be in a position to reduce its Consolidated debts and also would be in a better position to focus on its core business.

Clause 49(V)(F) of the Equity Listing Agreement entered into by the Company with the Stock Exchanges on which the equity shares of the Company are listed, provides that no company shall dispose of shares in its material subsidiary which would reduce its shareholding (either on its own or together with other subsidiaries) to less than 50% or cease the exercise of control over the subsidiary without passing a special resolution in its general meeting, except in cases where such divestment is made under a scheme of arrangement duly approved by a Court / Tribunal. A material subsidiary, in terms of the Company's Policy on Material Subsidiary, means (a) a subsidiary in which the investment made by the Suzlon group in the share capital of such subsidiary company exceeds 20% of its consolidated net worth as per the audited consolidated financial statements; or (b) the income of the subsidiary exceeds 20% of the consolidated income as per the audited consolidated financial statements during the previous financial year. Thus since SE Forge Limited meets the said criteria of being a Material Subsidiary of the Company, it would be required to seek approval of the Shareholders of the Company for divesting from SE Forge Limited either completely or partly.

In terms of Section 180(1)(a) of the Companies Act, 2013, a company cannot sell, lease or otherwise dispose off the whole or substantially the whole of the undertaking of the company without the consent of the members by way of a special resolution at the general meeting of the company. In terms of explanation to Section 180(1)(a), the term 'undertaking' means an undertaking in which the investment of the company exceeds 20% of its net worth as per the audited balance sheet of the preceding financial year or an undertaking which generates 20% of the total income of the company during the previous financial year. Further, the expression 'substantially the whole of the undertaking' in any financial year shall mean 20% or more of the value of the undertaking as per the audited balance sheet of the preceding financial year. Since the Company's investment in SE Forge Limited exceeds 20% of its net worth as per the audited balance sheet of the preceding financial year, it would be necessary to seek the approval of the Shareholders in terms of Section 180(1)(a) of the Companies Act, 2013.

In view of the aforesaid provisions, you are requested to grant your consent to the special resolution as set out at Agenda Item No.3 of the accompanying Notice.

None of the Directors and Key Managerial Personnel of the Company and their relatives has any concern or interest, financial or otherwise, in the proposed resolution.
