Notes:

- The above results have been reviewed by the Audit Committee and taken on record by the Board of Directors at its meeting held on February 13, 2015. The statutory auditors of the Company have carried out a limited review of the above results for the quarter ended December 31, 2014.
- During the current quarter, a binding agreement is signed for divestment of 100% stake in its wholly owned step-down subsidiary Servion SE for a consideration of Euro 1,000 Million. The Company intends to utilise the proceeds to reduce its debt and overdue creditors as well as to augment business growth. The foreign currency bonds were restructured in July 2014 and the Company has taken various steps to improve its business, optimise cost and have improved operational efficiencies to make its operations sustainable and profitable. Pending the financial closure of the deal and final outcome of the measures undertaken by the Company, there continues to be an uncertainty that may cast significant doubt regarding the Company's ability to continue as a going concern. Accordingly, these consolidated results have been prepared on the basis that the Company will continue as a going concern and no adjustments have been made to the classification of assets and liabilities. The statutory auditors have given an Emphasis of Matter on the same.
- The Company and its certain specified subsidiaries (collectively the "Group") and the CDR Lenders executed a Master Restructuring Agreement ("MRA") during FY 2012-13. The MRA as well as the provisions of the Master Circular on Corporate Debt Restructuring issued by the Reserve Bank of India, give a right to the CDR Lenders to get a recompense of their waivers and sacrifices made as part of the CDR Proposal. The recompense amount payable by the Company is contingent on various factors including improved performance of the Company and many other conditions, the outcome of which currently is materially uncertain and hence the proportionate amount payable as recompense has been treated as a contingent liability. The aggregate value of the outstanding sacrifice made by CDR Lenders upto December 31, 2014 as per the MRA is approximately Rs.445.44 crores for the Company and Rs.575.44 crores for the Group. The statutory auditors have given an Emphasis of Matter on the same.
- The management proposes to divest the business of SE Forge Limited ("SEFL"), which is engaged in manufacturing and machining of large forging and casting products and the said operations have been considered as discontinued operations. The income from operations and profit / (loss) after tax of the business in respect of the ordinary activities attributable to the discontinued operations are:

5 Pursuant to the approvals received from RBI, the CDR Empowered Group, the holders of the Existing Bonds and the Board of Directors of the Company, on July 15, 2014 the Company had approved the allotment of restructured bonds amounting to USD 546.92 million to the holders of the Existing Bonds in accordance with the terms of the consent solicitation memorandum and applicable laws and regulations. Pursuant to the consent solicitation memorandum, the restructured bonds will mature on July 16, 2019 and the existing Zero Coupon October 2012 Series, 7.5% October 2012 Series and 2014 Series would cease to exist. In respect of the existing USD 175 million 5% April 2016 Series, USD 146.20 million of the principal amount have also been substituted by the restructured bonds and USD 28.80 million of the principal amount remain outstanding. In view of this the foreign currency monetary item translation difference account ("FCMITDA") as on June 30, 2014 relating to restructured bonds of 5% April 2016 Series amounting to Rs.103.43 crores had been charged off in the statement of profit and loss and disclosed under exceptional items.

6 The Indian Wind Energy Association ("InWEA") of which the Group is a member has filed a civil appeal in the Supreme Court against an order of the Appellate Tribunal for Electricity in regard to levy of Infrastructure Development Charges ("IDC") by Tamil Nadu State Electricity Board, and the matter is pending the hearing of the Supreme Court. The Group continues to expect a favorable outcome. However, in view of delay in hearing, as a prudent measure, the Group has made a provision of Rs 55.00 crores and disclosed the same under exceptional items. Accordingly, the matter of emphasis reported by the auditors in the previous several quarters towards uncertainty on contingencies has been resolved.

7 On January 22, 2015, AE Rotor Holding B.V. a step-down wholly owned subsidiary of the Company and its subsidiaries signed a binding agreement with Centerbridge Partners LP, USA to sell 100% stake in Servion SE, for a consideration of Euro 1,000 Million and future earn out of up to Euro 50 Million, subject to regulatory and other customary closing conditions. Accordingly, the Company has made provision for impairment of investment in stand-alone financial results and impairment of goodwill in consolidated financial results (out of impairment of goodwill, Rs. 2,323 crores is on account of post-acquisition profits) and the same has been disclosed under exceptional items.

Review Report to
The Board of Directors
Suzlon Energy Limited

1. We have reviewed the accompanying statement of unaudited financial results of Suzlon Energy Limited ('the Company') for the quarter ended December 31, 2014 (the "Statement"), except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been reviewed by us. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We draw attention to Note 2 of the accompanying unaudited standalone financial results which indicates that the Company has overdue amounts payable to vendors and lenders and has been facing liquidity issues. These conditions along with other matters as set forth in Note 2 of the accompanying unaudited standalone financial results indicate the existence of a material uncertainty that may cast a significant doubt about the Company's ability to continue as a going concern. Our conclusion is not qualified in respect of this matter.
4. We draw attention to Note 3 of the accompanying unaudited standalone financial results in respect of contingency related to compensation payable in lieu of bank sacrifice, the outcome of which is materially uncertain and cannot be determined currently. Our conclusion is not qualified in respect of this matter.
