	Matters pending against the Enforcement Directorate		
1.	SE Composites Limited ("SECL") (an erstwhile subsidiary which was merged into our Company in 201) was summoned to produce certain documents and information of export sale and outstanding export receivable. The Company had responded and submitted the documents. There was subsequent summons (the "Follow-up	Directorate of Enforcement, Bangalore Zonal Office	NA

	Summons”) from ED to provide further information. Our Company has submitted the relevant information and documents sought by the ED in the respective follow-up summons		
2.	Pursuant to a letter, the Enforcement Directorate (ED) sought, among other things, details regarding the remittance received during December 2016 and December 2017 from our erstwhile step-down subsidiary, Sure Power LLC (renamed Seventus LLC, “Seventus”). The Company provided the requested information. Subsequently, the ED sought further information, including details of the investment made by the Company in Seventus. The Company submitted the information and documents. In March 2025, the Company received a show cause notice from the ED regarding the utilization of an advance payment of USD 3.86 lakh (equivalent to approximately Rs. 2.5 crore) without making any shipment of goods against the same within the prescribed time period. Our Company, SEL, has submitted a reply to the show cause notice, and the matter is currently under adjudication by the ED.	Directorate of Enforcement, Mumbai Zonal Office	NA
	Other Miscellaneous Matters		
1.	Kandhari Beverages has initiated multiple arbitration proceedings against SEL, seeking claims under the generation guarantee clause of the Purchase Order. While an award was passed in favor of Kandhari for an earlier period, subsequent claims have also resulted in arbitral awards, which are currently under challenge through appeals filed by SEL. Execution petitions filed by Kandhari remain pending due to these appeals. It is SEL’s position that the generation guarantee was contractually limited to a specific period, and Kandhari’s attempt to extend this guarantee for the entire life of the project is not supported by the terms of the agreement.	Punjab & Haryana HC Chandigarh District Court, Arbitral Tribunal	39.26
2.	NMDC initiated arbitration proceedings against Suzlon Energy Limited (COP No. 43 of 2019 and CEP No. 16 of 2021), seeking	Additional Chief Judge cum	24.8

	compensation for generation loss due to project shutdown. An arbitral award was passed in favor of NMDC for a certain amount, while Suzlon's counterclaim for pending O&M charges was also partially upheld. Suzlon has challenged the portion of the award passed against it, and NMDC has filed an execution petition, which remains pending due to the ongoing challenge.	Commercial Court, City Civil Court, Hyderabad	
3.	Suzlon Energy Limited commissioned two wind power projects for IOCL in Rajasthan. Disputes arose regarding payments withheld by IOCL, citing non-renewal of PPAs. Suzlon initiated arbitration proceedings, and IOCL filed a counterclaim. A majority arbitral award dated February 25, 2023 was passed in favor of Suzlon for its claims, while also directing Suzlon to ensure extension of the PPAs—subject to the outcome of a writ petition filed by IOCL before the Rajasthan High Court. Both parties have challenged different parts of the award under Section 34 applications, which are currently pending adjudication.	Delhi High Court	35.41
4.	A Public Interest Litigation (PIL No. 129 of 2013) was filed before the Hon'ble Bombay High Court against multiple parties, including Suzlon Energy Limited, seeking directions regarding the relocation of certain Wind Turbine Generators in accordance with applicable micro-siting guidelines and government resolutions. The PIL also raises concerns about procedural aspects of certain amendments and related documentation. The matter is currently under judicial consideration.	Mumbai High Court	Shifting of 03 Wind Turbines and power generation loss till shifting.
5.	A Public Interest Litigation (PILST/34079/2024) has been filed before the Hon'ble Bombay High Court by an individual petitioner against various parties, including Suzlon Global Services Limited and Suzlon Foundation, raising concerns related to CSR obligations. The petitioner had earlier addressed correspondence to Suzlon Energy Limited, which was duly responded to. Suzlon has clarified its position, stating that it complies with all applicable statutory requirements. The matter is currently under judicial consideration.	Mumbai HC (Aurangabad Bench)	NA

6.	Following a settlement agreement in January 2022, disputes arose over non-payment of O&M charges by Indowind. Suzlon suspended services, leading Indowind to file a Section 9 application before the Madras High Court. The Court directed restoration of services upon part-payment of dues and appointed an Arbitrator. Arbitration proceedings are currently ongoing, with both parties having filed claims and counterclaims.	Arbitration Tribunal J. V. Bharathidasan (Retd.)	69.81 Cr. (Claim)

Notes:

1. Under the Vivad se Vishwas Scheme 2024 (VsV), introduced through the Finance Act (No. 2), 2024, the company has opted to settle certain appeals pending before various appellate forums. Please note that the details of these appeals are not included in the list above.
2. In ordinary course of business, the Company is in receipt of show cause notices and assessment notices from the GST, customs and income-tax department. These notices are mostly preliminary and general in nature and in most cases are dismissed without materializing into a demand. Thus, we have not given the details of such show cause notices.
3. Without prejudice, M/s Harri Wind Farms, purporting to be an operational creditor, has filed an application under Section 9 of the Insolvency and Bankruptcy Code against Suzlon Gujarat Wind Park Limited (CP(IB)/318(AHM)2022), alleging a disputed operational debt of INR 4.62 crores (principle). Additionally, M/s Harri Wind Farms has filed an application (IA(I.B.C.)/1450/AHM/2024) seeking substitution of Suzlon Gujarat Wind Park Limited with Suzlon Global Services Limited. It is pertinent to note that Suzlon Global Services Limited has since been merged into Suzlon Energy Limited pursuant to an NCLT-approved scheme. As of date, neither of the applications has been admitted, and therefore, no insolvency proceedings are pending against the Company. However, out of abundant caution, the Company is making this disclosure.
