

# Report of the Auditors

ZCHJBZ (2023) 10204

To: The Board of Directors of Suzlon Wind Energy Equipment Trading (Shanghai) Co., Ltd

## I. Opinion

We have audited the accompanying financial statements of Suzlon Wind Energy Equipment Trading (Shanghai) Co., Ltd. including Balance Sheet as of December 31, 2022, and the Statement of Income, Cash Flows and Changes in Equity for the year then ended, and the notes to the financial statements.

In our opinion, the financial statements give a true and fair view, in all material respects, of the financial position of the Company as of December 31, 2022 and the results of its operations and cash flows for the year then ended, in accordance with the requirements of *Accounting Standards for Small Business Enterprises*.

### I. Basis for opinion

We conducted our audit in accordance with Auditing Standards for Chinese Certified Public Accountants. Our responsibilities under those standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. According to the CPA professional ethical code, we are independent of the Company and comply with all other professional ethical requirements. We believe the audit evidences we have obtained are sufficient and appropriate and provide a reasonable basis for our opinion.

## II. Management's and Governance's Responsibility for the financial statements

The management of the Company is responsible for the preparation and fair presentation of the financial statements in accordance with the requirements of *Accounting Standards for Small Business Enterprises*, and designing, implementing and maintaining necessary internal control so that the financial statements are free from material misstatement, whether due to fraud or error.

In preparing financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and applying going concern basis of accounting unless the management plans to liquidate the Company, to cease operations or have no other realistic alternatives but to do so.

The governance is responsible for overseeing the financial reporting process of the Company.

## III. Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Chinese Certified Public Accountants Standards of Auditing, we exercise professional judgment and maintain professional suspicion throughout the audit. We also:

1) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than the risk of not detecting one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.

3) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

4) Conclude on the appropriateness of the Management's use of the going concern basis of accounting. Meantime, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The English report and its appendices are for reference only, if there is any discrepancy, its official interpretation will be based on its Chinese version.

Shanghai China

2023/3/26

**Suzlon Wind Energy Equipment Trading (Shanghai) Co., Ltd.**  
**Notes to the 2022**  
**Financial Statements**  
(All amounts expressed in RMB Yuan unless otherwise stated)

**I Company Profile**

Suzlon Wind Energy Equipment Trading (Shanghai) Co., Ltd. is a foreign-funded enterprise solely funded by Suzlon Energy Ltd incorporated on June 10, 2008. The uniform social credit code of the Company is 91310000674645534M. The registered capital of the Company is USD 2.22 million. Domicile of the Company: Room 18H, 1800 West Zhong Shan Road, Xuhui District, Shanghai. Legal representative: ABHINAV PRABHATKUMAR SHAH. The term of business of this Company is 30 years.

The Company's scope of business: Wholesale, import & export and commission agent services (except auction) of wind power generation units and parts (including turbine towers) as well as relevant services, and business consultation. (No goods under state-owned trade administration are included, and goods involving quota and license administration shall be applied for in accordance with relevant requirements of the state.) [Items that shall be approved according to law shall be operated only upon the approval by the competent authority].

**II Statement of Compliance with the Accounting Standards for Small Business Enterprises**

The financial statements prepared by the Company meet the requirements of the *Accounting Standards for Small Business Enterprises* and present truthfully and completely such information as the financial position, results of operations, cash flow, etc. of the Company.

**III Description of Significant Accounting Policies and Estimates**

a) Accounting Standards Currently Applicable to the Company

The provisions of the Accounting Standards for Small Business Enterprises are implemented by the Company.

b) Fiscal year

The Company's accounting year starts on 1 January and ends on 31 December.

c) Recording currency

The Company takes Renminbi (RMB) as the functional currency.

d) Accounting basis and valuation principle

The Company carries out account treatment on an accrual basis and follows the effective cost principle.

e) Accounting treatment of foreign currency business and translation method

Transactions denominated in foreign currencies are translated into RMB amounts at the exchange rates (middle rates) promulgated by the People's Bank of China on the date of transaction. Foreign currency account balances as of the end of each term are translated into RMB at the exchange rates (middle rates) of that date, with differences stated as exchange gains/losses. Specifically, those incurred during the organization period of the Company are stated as long-term deferred and prepaid expenses; those related to the purchase of fixed assets are stated in accordance with the principle of capitalization.

#### f) Receivables and Prepayments

The creditor's rights incurred in daily production and business operation activities shall include notes receivable, accounts receivable, dividends receivable, interest receivable, and other receivables, such as receivables and prepayments. Receivables and prepayments are recorded in the books at the amount incurred.

##### 1. The Standards under Which Receivables and Prepayments are recognized as Bad Debts:

(1) Debtors are declared bankrupt in accordance with the law, close down, are dissolved or revoked, or canceled in accordance with law, their business licenses are revoked or their liquidating property is insufficient to pay off debts.

(2) Debtors die or are declared missing or dead in accordance with the law, or their property or legacy is insufficient to pay off debts.

(3) Debtors fail to pay off their debts for more than 3 years from the deadline and there is conclusive evidence indicating that debtors are unable to pay off their debts.

(4) Debts cannot be recovered because debtors make any arrangements with their creditors or a bankruptcy reorganization plan is approved by the court.

(5) The debts cannot be recovered due to force majeure, such as natural disasters, wars, etc.

(6) Such other conditions as defined by the financial and taxation authorities under the State Council.

2. Method for measurement of bad debts losses: the direct write-off method is used for measuring bad debts, of which the losses shall be included in non-operating expenses when they are actually incurred.

#### g) Fixed assets

(1) The term "fixed assets" means the tangible assets held for sale of goods, rendering of service or business management, with the service life of over 1 year and high unit value.

(2) Measurement of fixed assets: a fixed asset is measured at the actual cost of acquisition.

(3) Depreciation of fixed assets: fixed assets are depreciated by the straight-line method. See below for the depreciation rates determined according to the original price, estimated economic service life and estimated salvage value rate of fixed assets:

Asset category	Estimated service life	Estimated salvage value rate (%)	Annual depreciation rate (%)
Electronic and other equipment	3 years	-	33.33

#### h) Long-term deferred expenses

A long-term deferred expense will be accounted for at the amount actually incurred, and be amortized evenly through the benefit period of the expense item. In case of no more use, the benefits of the future period shall be recorded once and for all into the current profits and losses.

#### i) Principle for Recognition of Revenue

1. Sale of products: income from sale of products is recognized when the products are shipped and the payments therefor are received or the right to collect the payments is obtained.

2. Provision of labor services: for labor services started and completed within the same accounting year, the revenue from provision of labor services shall be recognized when a transaction concerning the provision of labor services is completed, payments therefor are received or the right to collect the payments is obtained. If the start and completion of labor services are divided into different accounting years, the revenue from providing labor services shall be recognized based on the progress of completion of a transaction concerning the provision of labor services.

j) Accounting treatment of income tax

Accounting treatment of income tax: tax payable method, the income tax expenses of the current period shall be calculated and recognized according to the taxable income and applicable tax rate of the current period.

#### IV Taxes

Tax	Tax base	Tax rate	Benchmark tax rate/ tax preference and relevant approvals
VAT	Taxable income	13%,6%	Benchmark tax rate
Urban maintenance and construction tax	Turnover tax	7%	Benchmark tax rate
Educational surcharges	Turnover tax	3%	Benchmark tax rate
Local educational surcharges	Turnover tax	2%	Benchmark tax rate
Enterprise income tax	Taxable income	—	Preferential income tax rate for small low profit enterprises of 2022

#### V Notes to Financial Statement Items
