23rd April, 2012

Suzlon Group wins ~276 MW (~US\$ 387 mn) in new orders across Europe

- Cumulative order wins between 11th February, 2012, and 15th April, 2012 (excluding orders announced separately)
- Product mix includes the latest 3.4M104 and 3.2M114 turbines, in addition to MM82 and MM92 models

Pune: Suzlon Group-sub subsidiary, REpower Systems SE, today announced cumulative orders of approximately 276 MW across Europe over a two month period, excluding orders announced separately.

These cover various orders secured between 11th February, 2012 and 15th April, 2012 across Italy, France, Germany, Poland and the United Kingdom.

Andreas Nauen, Chief Executive Officer – REpower Systems SE, said: "These orders highlight our competitive positioning across highly competitive European wind markets. With our focus on technology and customer centricity, we have the right products and services to lead the growth in the sector."

Tulsi Tanti, Chairman – Suzlon Group, said: "These orders clearly underscore the continuing momentum in the wind sector in developed European markets. With our strong competitive positioning as a Group, we are poised to maintain our strong growth momentum across global markets."

The projects include several wind farms in Germany featuring REpower's latest 3.4M104 and 3.2M114 turbine models, with 3.4 and 3.2 MW of rated power respectively. Other orders will feature turbines of the MM92 and MM82 types.
