Dear Sirs,

**Sub.: Confirmation / Information on published news.**

**Ref.: News item appearing in "CNBCTV18 & www.moneycontrol.com".**

We refer to letter No.L/DOSS/ONL/RV/2013-14/37 dated 4<sup>th</sup> July 2013 of BSE Limited and letter No.NSE/CM/Surveillance/R-1235 dated 4<sup>th</sup> July 2013 of National Stock Exchange of India Limited in the subject and reference cited above.

The Company, as part of its deleveraging strategy, has set the goal to raise up to US\$ 400 million through the sale of non-critical assets, which was disclosed as part of our key priorities for FY14, in our investor / analyst presentation dated 30<sup>th</sup> May 2013, which is available for all on our website [www.suzlon.com](http://www.suzlon.com). However, while we have identified these assets and divestment plans are in progress, these are not yet crystallised and it would therefore be premature to announce the specifics.

With reference to the media reports, it remains our policy to not comment on what is market rumour and speculation.

We wish to reiterate that the Company and its management remain committed to the highest standards of corporate governance, and will communicate to the stock exchanges on developments as they happen.

This is for your information as also for the information of your members and the public at large.

Thanking you,

Yours faithfully,

**For Suzlon Energy Limited**
