Dear Sirs,

Sub.: Update on Order Book as on date for the orders in ordinary course of business.

Last reported order book of the Company as on 28th January 2025 stood at 5,523 MW. Post this with certain new order intakes / cancellation / truncation, the Company's order book as on date stands at a healthy position of 5,622 MW (including the despatches made during Q4 FY25 which shall be disclosed at the time of declaration of the financial results for quarter and financial year ended 31st March 2025).

In continuation to our announcement dated 17th May 2023 titled, “Suzlon secures a new order of 99 MW from Vibrant Energy”, this is to inform that the customer has decided not to proceed with the project hence the said order stands cancelled.

Further, in continuation to our announcement dated 25th August 2023 titled, “Suzlon wins a 201.6 MW order from O2 Power Private Limited (Teq Green Power XI Private Limited)”, said order has been truncated to 100.80 MW, and now would be executed in the name of Solalite Power Private limited instead of Teq Green Power XI Private Limited.

Further, in continuation to our announcement dated 15th December 2023 titled, “Suzlon secures a 100.8 MW order for the 3 MW series from a leading Global Utility”, this is to inform that the customer has decided not to proceed with the project hence the said order stands cancelled.

This is to clarify that the above would not have any material impact on the order book position of the Company.

This is for your information as also for the information of your members and the public at large.

Thanking you,

Yours faithfully,
For Suzlon Energy Limited

Geetanjali S.Vaidya,
Company Secretary.
