

# Suzlon completes wind power turnkey project

**New Delhi:** Tulsi Tanti led Suzlon Energy on Tuesday said it has completed the

commissioning of 100.8 MW wind power turnkey project for CLP India. The project is located at Jaisalmer. "The project will provide electricity to over 50,000 homes and curb 0.21 million tonnes of CO2 emissions annually.

Chief sales officer Ishwar

Mangal said, "Given the positive change in the Indian renewable energy landscape, our focus this year is to cater to the Indian market and enhance our market share."
