

Suzlon wins 76 MW turnkey orders from PSUs, SMEs

Suzlon today said it has won turnkey orders totalling 75.60 mw from various public sector undertakings and small and medium enterprises between April and July, first four months of the current fiscal. "The retail orders have been received from mixed bag of customers across diverse industry segments, including food, textiles, chemical, real estate, entertainment and manufacturing," Suzlon Group said in a filing to BSE. These orders comprise of Suzlon's latest product offerings and includes S111 90m tubular tower, 120 m hybrid tower and S97 90m tubular tower with a rated capacity of 2.1 mw each, the filing said.
