Suzlon bags Oil India order

New Delhi, September 16

Energy solution provider Suzlon Group today announced that it has won its maiden order from Oil India Ltd(OIL) for 52.50 MW project capacity. The project is capable of providing power to over 28,000 households and offsetting 0.11 mt of CO2 emissions per annum, it said. Suzlon will provide a comprehensive range of services and dedicated life cycle asset management services for 10 years. The projects will be located in MP and Gujarat and to be completed by June. PTI
