

THDCIL awards 63-Mw wind power project to Suzlon

THDC India Ltd (THDCIL), a Risikesh-headquartered joint venture public sector undertaking, has awarded a 63-Mw wind energy farm project to

Suzlon Energy in Dwarka district of Gujarat. An investment of ₹491.7 crore would be made in the Dwarka wind power project, the firm said. This is the second project in the western state, where the company had already commissioned 50-Mw wind power project in Patan district with an investment of ₹350 crore.
