

VERBATIM

GST is the liberation of our economic imagination. It is our economic freedom

Anil Ambani, chairman, Reliance Group

The goods and service tax will enable the creation of a national market

Chanda Kochhar, CEO, ICICI Bank

GST is a unique game changing opportunity. Let's not squander it by a complex tax structure

Kiran Mazumdar Shaw, CMD, Biocon

GST will stimulate our economy, will help in increasing GDP growth and would provide a boost to Indian manufacturing

Tulsi Tanti, chairman, Suzlon

GST will unleash economies of scale and economies of efficiencies that can be quite significant

Suresh Narayanan, CMD, Nestle India

Manufactured goods are taxed at a lower or existing rate, thus alleviating inflationary pressures

Harsh Pati Singhania, director, JK Organisation

The Indian economy is in 'take off' mode and GST implementation will fuel this growth trajectory.

Rana Kapoor, MD & CEO, YES Bank
