

Suzlon bags repeat orders from HPCL and NALCO

New Delhi: Tulsi Tanti-led wind turbine maker Suzlon Group has bagged two 50.4

megawatt (MW) order from Hindustan Petroleum Corporation Ltd (HPCL) and state-run NALCO for installation additional wind power capacity. In a BSE filing on Monday, Suzlon said it "has won a third order from HPCL for 50.40 MW capacity

wind power project in India...The project is scheduled for completion by 2016-17." In a separate filing, the company announced it has bagged another order from NALCO," it said.
