

# ■ Suzlon Secures Additional Credit Facility of ₹2,300 cr

**NEW DELHI** Wind turbine maker Suzlon Group on Friday said it has received an additional credit facility of ₹2,300 crore above the existing

working capital lines to meet its requirements for execution of projects. "It has received an additional sanction of working capital lines of ₹2,300 crore to meet its requirement for execution of sizable order backlog and pipeline... the additional working capital sanctions are above the existing working capital facilities of ₹4,300 crore," Suzlon said in a BSE filing. These facilities will be catalyst to help Suzlon tap the growth opportunities in India and International markets, it added. – PTI
