

Suzlon Energy gets wind turbine generators

Suzlon Energy has bagged two separate wind energy orders of 100.8 MW each from Mahindra Susten and an Indian arm of nordic energy company. The company will install 48 units of their S120 140m wind turbine generators (WTGs) with a hybrid lattice tubular (HLT) tower with a capacity of 2.1 MW for Mahindra Susten. It will also install 32 WTGs with HLT tower and capacity of 3.15 MW for another energy company.
