

Suzlon Group gets order for 225-MW wind project

Suzlon Group has bagged a new order from Everrenew Energy Pvt Ltd for the development of a 225-MW wind project in Tamil Nadu, the company said in an exchange filing. Suzlon Group comprises Suzlon Energy and its subsidiaries. The company will install 75 wind turbine generators with a hybrid lattice tubular tower and rated capacity of 3 MW each in Tamil Nadu. The order is for the company's larger rated 3 MW turbines from the 3-3.15 MW product series.
