

# ■ Suzlon Started 900-mw Wind Energy Projects

**NEW DELHI** Wind energy solutions provider Suzlon group on Monday announced that it commissioned 900 mw wind energy projects in the last

fiscal. "Suzlon Group... has commissioned 900 mw wind energy projects during the financial year 2015-16, of which 520 mw was commissioned in Q4FY16," the company said in a statement. This amounts to a more than 100 per cent increase in installations, vis-a-vis 442 mw installed during the financial year 2014-15, it said. Suzlon continues to maintain market leadership in India with 36% cumulative market share and diversified presence across eight states, it said.
