

Suzlon commissions Ostro project

Pune, October 12

Suzlon said it has commissioned a 50.40 MW wind power turnkey project for Actis-owned Ostro Energy Pvt Ltd. This is Ostro's first wind power project in India. Located at Jaisalmer, Rajasthan and comprising 24 wind turbine generators of 2.1 MW each, the project is part of Suzlon's Jaisalmer wind park, billed to be the country's largest, with a cumulative capacity of over 1,300 MW. Suzlon is responsible for the entire project lifecycle, and has also been contracted to operate and maintain the project for 12 years. OUR BUREAU
