**For Immediate Release**

## **Suzlon wins 19.2 MW repeat order from the Baidyanath Group**

- Second order to Suzlon from Sidhayu Aryurvedic Research Foundation, a Baidyanath group company
- New order to take the Baidyanath group wind portfolio to 26.7 MW

**Pune:** Suzlon Energy Limited (SEL), the world's third leading\* and India's largest wind turbine manufacturer, has won a repeat order from Siddhayu Ayurvedic Research Foundation Private Limited – a Baidyanath group company. Suzlon will set up, operate and maintain the 19.2 MW project, which will be installed in the Dhule and Satara districts in the state of Maharashtra. The project comprises of three units of Suzlon's S82 – 1.5 MW, and seven units of Suzlon's S88 – 2.1 MW wind turbine generators (WTG).

The Baidyanath Group is a leading name in the field of Ayurvedic Medicines with a standing of more than 90 years. Siddhayu Ayurvedic Research Foundation Private Limited, a Baidyanath group company, is a leading manufacturer of private label, custom and pre-formulated Ayurvedic Medicines, as well as organic and herbal products for reputed domestic & international pharmaceutical companies. The 19.2 MW project is Siddhayu's second order with Suzlon and will take their wind portfolio to 26.7 MW.

The project will be set up in two phases and shall be completed by March 2011. The Group plans to register the project with UNFCCC under the Clean Development Mechanism (CDM).

**Mr. Pranav Sharma – Director, Siddhayu Ayurvedic Research Foundation Private Limited** said: "We are a group with a very strong drive towards sustainability and this repeat order speaks for our commitment towards a greener tomorrow. Our association with Suzlon is strengthened with this new order. We count on Suzlon's collaborative approach and capabilities to continue our journey on the green path."

**Mr. Ashok D'Sa, President – South Asia and Middle East - Suzlon Energy Limited,** said: "This order underlines Suzlon's unique value proposition to the industry – offering expertise across the value chain from concept to commissioning and operation of wind projects. We look forward to the delivery of yet another successful project that reinforces the commitment to renewable energy investments by the Baidyanath Group."

---

### **Suzlon in India**

Suzlon, the leader in the Indian wind energy stage, has maintained market leadership by capturing ~50 per cent market share for 12 consecutive years. Suzlon offers the concept-to-commissioning business model to wind energy investors in India – providing a comprehensive suite of services from turbine supply, to EPC, lifetime operations and maintenance and other value added services covering the entire value chain. The success of the model is seen

in Suzlon's rapid growth in India – with over 40 sites across eight states, and an installed base more than 5,000 MW and a customer portfolio that captures the leaders of the Indian Industry.

**About Suzlon Energy Limited**

Suzlon ranked as the world's third\* leading wind turbine supplier in terms of market share in 2009. Suzlon has its corporate office in Pune, India. The company's global spread reflects in its projects and markets portfolio - extending across Asia, Australia, Europe and North and South America. Suzlon is a highly vertically integrated wind turbine manufacturer with manufacturing capability along the full value chain – from components to complete wind turbine systems.
