In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic and impact of the same on future performance, the Group has used available information from internal and external sources to assess the impact of COVID-19 on the standalone and consolidated financial results. However, given the undetermined circumstances due to the pandemic the actual outcome may differ from what has been estimated. The Group will continue to monitor the future developments and updates its assessment.
- 5b The Group's ability to generate sufficient cash flows to meet its financial obligations in the foreseeable future could be impacted by the undetermined circumstances arising from the Covid 19 pandemic.
- 6 On June 29, 2021, the Board of Directors of the Company has, subject to customary due diligence, necessary approvals and execution of definitive documents, resolved to divest the Company's 75% stake in Suzlon Generators Limited, a joint venture of the Company, to Voith Turbo Private Limited or its associates. Pending necessary approvals from the lenders, no adjustment has been made in the books for this matter.
