About Suzlon Group:

Suzlon Group is one of the leading renewable energy solutions provider in the world with an international presence across 18 countries in Asia, Australia, Europe, Africa and the Americas. Headquartered at Suzlon One Earth in Pune, India; the Group is comprised of Suzlon Energy Limited (NSE & BSE: SUZLON) and its subsidiaries. A vertically integrated organization, with over two decades of operational track record, the Group has a cumulative installation of over 18 GW of wind energy capacity, over 7,500 employees with diverse nationalities and world-class manufacturing facilities. Suzlon is the only Indian wind energy company with a large in-house Research and Development (R&D) set-up in Germany, the Netherlands, Denmark and India. Over 12 GW of the Group's installations are in India, accounting to ~35% of the country's wind installations, thus making Suzlon the largest player in this sector. The Group is the custodian of over 12 GW of wind assets under service in India making it the second largest Operations and Maintenance Company (over 8,000 turbines) in the Indian power sector. The Group also has around 4 GW of wind assets under service outside India. Suzlon corporate website: www.suzlon.com
