About Suzlon Group:

Suzlon group is one of the leading renewable energy solutions provider in the world with an international presence across 18 countries in Asia, Australia, Europe, Africa and Americas. Headquartered at Suzlon One Earth in Pune, India; the group is comprised of Suzlon Energy Limited (NSE & BSE: SUZLON) and its subsidiaries. A vertically integrated organization, with over two decades of operational track record, the group has a cumulative installation of over 17.5 GW of wind energy capacity, over 7,600 employees with diverse nationalities and world-class manufacturing facilities. Suzlon is the only Indian wind energy company with a large in-house Research and Development (R&D) set-up in Germany, the Netherlands, Denmark and India. Over 11.9 GW of the group's installation is in India, which makes up for ~35% of the country's wind installations, making Suzlon the largest player in this sector. The group is the custodian of over 14 GW of wind assets under service globally. The company has also forayed into the solar space. Suzlon corporate website: www.suzlon.com
