Dear Sirs,

Sub.: Update on Suzlon's solar business.

This is to inform that the Company has acquired the following companies, Gale Solarfarms Private Limited, Tornado Solarfarms Private Limited, Abha Solarfarms Private Limited, Aalok Solarfarms Private Limited and Shreyas Solarfarms Private Limited to implement various renewable energy projects across the country, including the recently won solar projects in Maharashtra of 70 MW. These companies, which have been acquired at face value, do not have any operations or assets currently and have been acquired primarily to be used as SPVs for the proposed solar project.

This is for your information as also for the information of your members and the public at large.

Thanking you,

Yours faithfully,
For Suzlon Energy Limited
