

Single - Use Plastic Free Certificate

Issued by Indian Register Quality Systems

Certification No.
IRQS/254300629

SUZLON ENERGY LIMITED

HEAD OFFICE ADDRESS

One Earth, Opp. Magarpatta City, Hadapsar, Pune - 411028.

SITE ADDRESS

Site Address: Refer Annexure 1 – List of Sites Covered Under
Certification

This is to certify that **Suzlon Energy Limited**, covering its manufacturing facilities across India, has undergone a comprehensive audit in accordance with the **IRQS SUP-Free Certification Protocol**, aligned with the **Plastic Waste Management Rules, 2016** and subsequent amendments.

The certification covers **twelve (12) Manufacturing facilities**, including rotor blade units, nacelle manufacturing units, wind turbine generator (WTG) facilities, control panel manufacturing units, transformer units, and tower manufacturing units.

The audit confirms that the organization has **initiated implementation of systems, controls, and awareness programs** towards reduction and elimination of single-use plastics within its site boundaries and core activities. The organization has also demonstrated efforts in adopting **reusable alternatives and improving plastic waste management practices**.
