

Single-Use Plastic Free Certificate

Suzlon Energy Ltd. (OMS Division)

One Earth, Hadapsar, Pune,
Maharashtra 411028, India.

SGS India has conducted an Independent Verification and Certification of Suzlon Energy Ltd. (OMS Division)'s Single-Use Plastic Free claim for the reporting period of **March 1, 2025, to February 28, 2026**. SGS India conducted this engagement in accordance with the Verification Methodology developed by SGS India.

The verification team has verified the waste management process that Suzlon Energy Ltd. (OMS Division), responsible for operations, maintenance and service business for Wind Turbines Generators across 7 states, has implemented for the inventorization, collection, segregation, transportation, disposal, diversion, reduction, recycle, reuse, monitoring and management of single-use plastic items produced at all OMS sites across 7 states for waste materials produced. The scope of verification is limited to single-use plastic usage from the Operations & Maintenance Activities of the OMS division for all sites across 7 states under the operational control of Suzlon Energy Ltd. The information of the facility is mentioned as below:

Suzlon Energy Ltd. (OMS Division),
One Earth, Hadapsar, Pune, Maharashtra 411028, India.

Based on the procedures we have performed, and the evidence we have obtained, we are satisfied that **"Single-use Plastic Free"** claim made by Suzlon Energy Ltd. (OMS Division) is complete, accurate, reliable, has been fairly stated in all material respects, and in accordance with the SGS Verification methodology.

Suzlon Energy Ltd. (OMS Division) has successfully achieved a "Single-Use Plastic Free" status for the above-mentioned reporting period.

Certificate No: HYD/ESG-KN/2026/P-24
Statement Date: 10th April 2026

This Certificate is issued, on behalf of Client, by SGS India ("SGS") under its General Conditions for ESG Assurance Services. A full copy of this statement may be consulted at SGS India. This Statement does not relieve Client from compliance with any regulations that apply to it. Stipulations to the contrary are not binding on SGS and therefore SGS shall have no responsibility vis-à-vis parties other than its Client. This certificate is given as per Single-Use Plastic Free verification methodology developed by SGS. This is non-accredited certificate.

This certificate is not valid without the full verification scope, objectives, criteria and findings available on the Statement.
